#### VALLEYVIEW CEMETERY

Location: One acre on north border of NW23, Township 70, Range 22, West of 5.

History: Cemetery Committee of A. Lindquist, Carl Noreen and Oscar Adolphson was formed in 1932. Land was donated by Joe Halldin. First two persons buried in 1932: Alexander John McGregor Williamson - July 24, 1932 and John Clarence Peters - Nobember 23, 1932.

At time of recording (1982-1983) the records of the cemetery are housed at Valleyview Town Office. Expansion of the cemetery has now taken place to the south of the original acre.

Recording: Begun in the fall of 1982 with copying the burial records (BR), continued in 1983 with the plot by plot recording of headstones (HS), and typed up in the year 1984. For the A.G.S. by Fran Moore, member #1288.

Local History Book: (LH) Local history refers to the book "Where the Red Willow Grew", published by Valleyview and District Oldtimers Assoc. in 1980 and printed by Friesen Printers.

Abreviations: Burial Records (BR), Headstone(HS), Local History (LH)

### TOWN OF VERMILION PUBLIC CEMETERY

This cemetery is located just south-east of Vermilion, on highway 16 go 1 mile east of the entrance to Vermilion and turn south. The cemetery will be seen on the right side.

The 2235 names of burials in this publication was compiled from records at the town office and the grave markers at the cemetery. Members of the Alberta Genealogical Society, Edmonton Branch, began the recording in the summer of 1991.

The cemetery appears to have been started in 1907 as 6 burials are recorded for that first year. This publication lists 31 burials for 1991.

#### **VERMILION and CLANDONALD DISTRICT CEMETERIES**

(Eastern part of the County of Vermilion River)

The town of Vermilion, situated on the Vermilion River, with a population of 4,407 (1991), is just north of highway # 16, 190 km east of Edmonton and 59 km west of Lloydminster at the Saskatchewan border. The town of Clandonald (population 165), is 28 km north of Vermilion on highway # 41 then 9 km east on highway # 45.

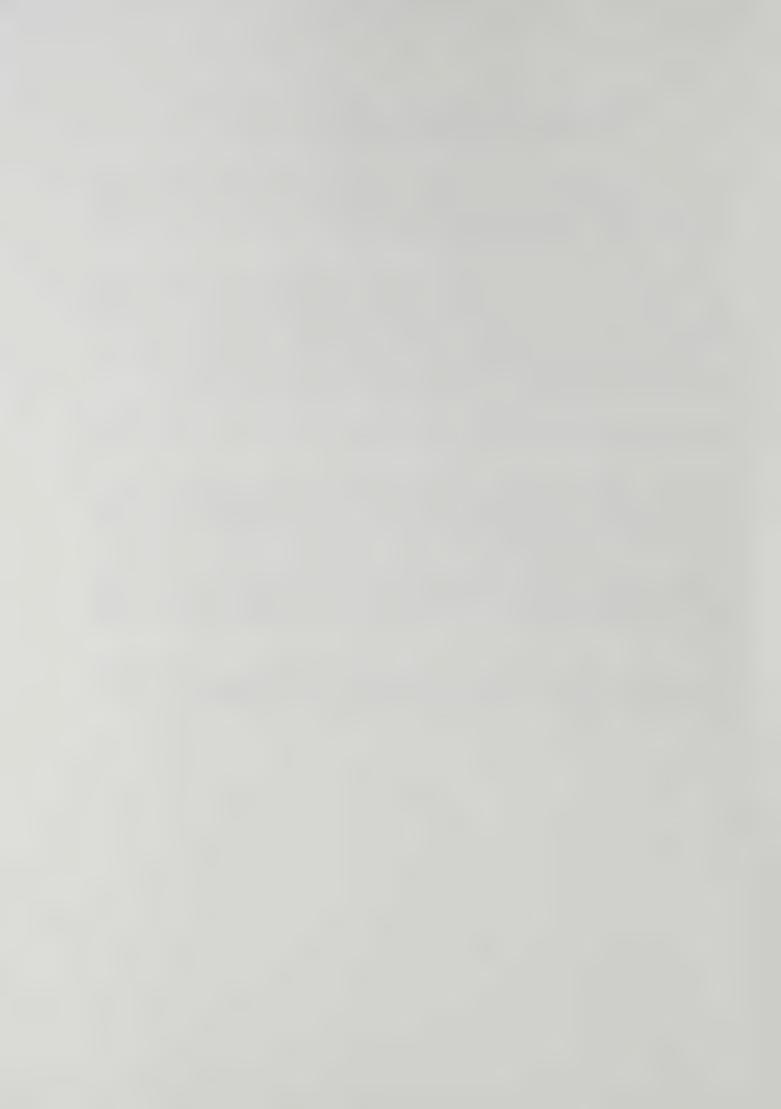

In 1992 several members of AGS, Edmonton Branch took to their campers and spent several days recording cemeteries in the area of Vermilion and Clandonald. This is mainly a farming and ranching area, having been opened for settlement soon after 1900. Driving around the country from one cemetery to the next, one sees a variety of land ranging from the near level good farm land to the rolling grassy hills of the cattle ranches. There are lakes and sloughs used by the waterfowl - Ducks and Geese, used as stop-overs on their yearly migrations.

Now after the discovery of oil, wells with their pumps can be seen in the fields scattered throughout the area.

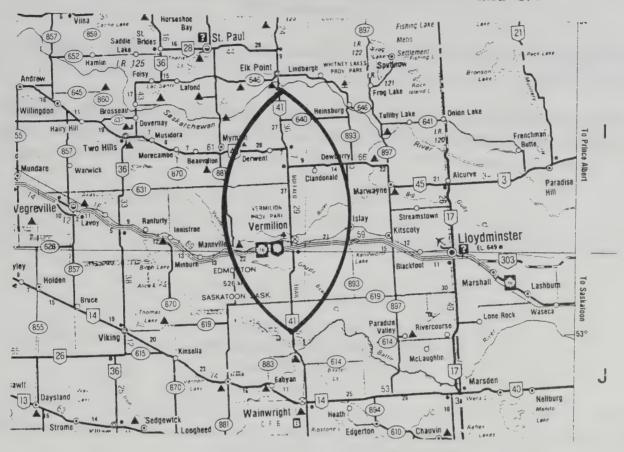

In this publication 11 cemeteries are recorded for a total of 1358 names of burials. These 11 cemeteries are found from close to the battle river south of Vermilion, and north to near the North Saskatchewan river. All are within the eastern part of the County of Vermilion River.

Various Local History books that may give more information about the people and the area are: "Earnest-Minded Men" 1973, "A History of St Savior's Parish, Vermilion" 1967, "Vermilion Old Timers, Vermilion Memories" 1967, "Landonville Trails" 1982 (includes the Clandonald area).

The Vermilion town cemetery has been publish in a separate booklet under key # 85. Also the cemeteries in the eastern part of the County are published under key # 2017.

#### ALBERTA ROAD MAP LOCATION 1/7 and J/7

## #70 (listing on page 1) ALL SAINTS PLEASANT VALLEY CEMETERY NE-16-51-05-W4 Near Vermilion, AB

The cemetery is located 5 miles west and 1 mile north of Islay or 6 miles east and 3 miles north of Vermilion. It is about a mile south of the Vermilion river.

This little cemetery with 35 burials is actually on the quarter across the fence line from the other north quarter where the church by the same name was located. The church was built in 1907. Presumably the cemetery was designated soon after as there are three burials listed in 1909.

Recording was done by AGS, Edmonton Branch members, Peter & Rose Goutbeck, and Richard & Alice Elliott in 1993

Recording was done by Peter & Rose Goutbeck in the summer of 1994.

# 88 (listing on page 28)
INACTIVE CEMETERY
NW-02-48-07-W4
Near Vermilion

This old abandoned cemetery is located 17 miles south of Vermilion on highway # 41, then 2 miles west and half a mile north. It is apparently difficult to find in the bush away from the road.

Bill Arthur, caretaker of the above Mt Auburn cemetery, gave us the names of the five known burials that took place between 1907 and 1915.

#90 (listing on page 28)
OTTAWA UNION CEMETERY
NW-10-52-07-W4
Near Vermilion, AB

This cemetery is located 8 miles north on highway 41 and 3 miles west Vermilion beside the church by the same name and is the resting place for many of the pioneers of the district.

Mr. Art Breckenridge donated the land for both the church and the cemetery.

The first burial was David Tovell and took place in June of 1906.

Recording was done by Peter & Rose Goutbeck with the assistance of the caretaker Albert Tovell in 1991.

## #91 (listing on page 30) RUSYLVIA BAPTIST CEMETERY NW-24-53-06-W4 Near Clandonald, AB

This small cemetery with 23 burials is located 2 mile west and 1 and 1/2 miles north of Clandonald. The Vermilion County Map shows the cemetery as being in the north-east corner of the quarter, but in fact it is in the south-west corner of the quarter section.

A log church was built in 1909 and later rebuilt as a frame building in the 1930's. Likely the cemetery was established about the same time. Frank Ross Dodds, A Baptist circuit rider named the Hamlet "RUSYLVIA" and preached in the church.

The cemetery, overgrown with grass and shrubs, is all that is left of the hamlet. A number of early settlers in the district lay at rest here. We had difficulty in locating the records for this cemetery as most relatives had moved away. We were directed to visit and elderly gentleman in the Nursing Home in Vermilion. He in turn informed us to contact Mr Ernest Davies who produced the original record book for this cemetery, and so we were able to complete the recording for this almost forgotten cemetery.

Mrs Nancy Davies is the earliest burial recorded for this cemetery in February 1923.

Recording was done by the Peter & Rose Goutbeck and Richard & Alice Elliott in 1992.

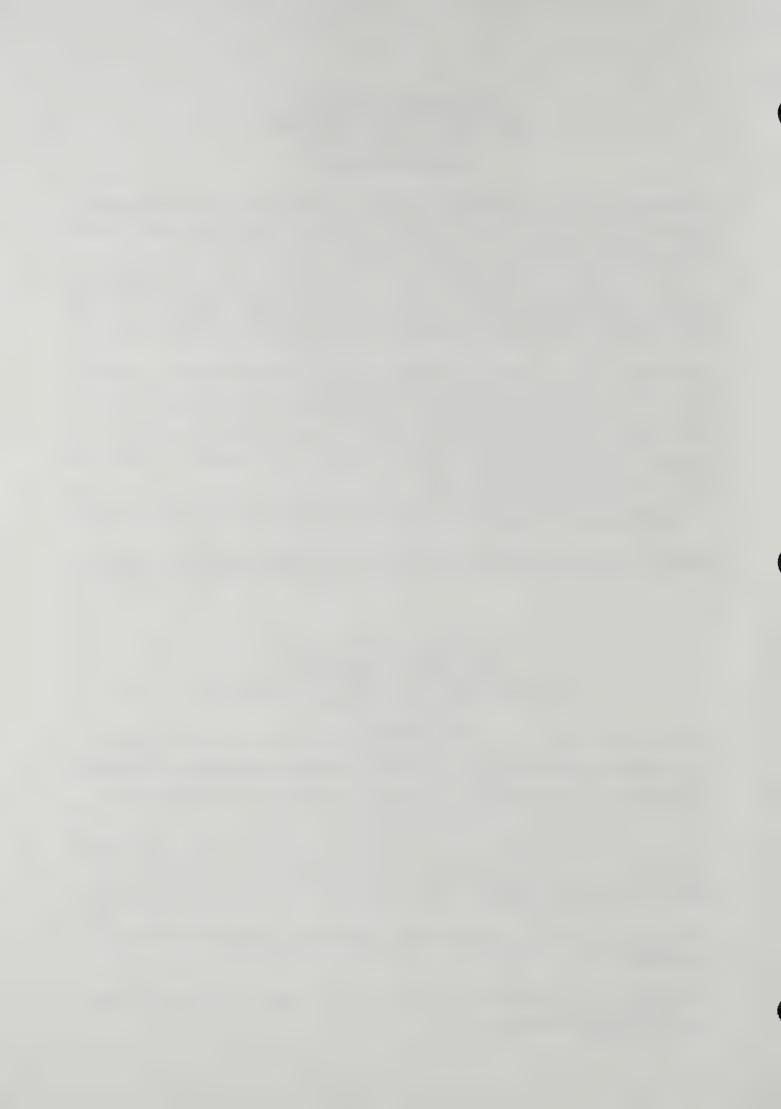

# #92 (listing on page 30) LANDONVILLE COMMUNITY CEMETERY SW-06-55-06-W4 Near Clandonald, AB

The Landonville Cemetery Company was formed and incorporated on May 11, 1914 to take jurisdiction of the two acre site already in use as a burial ground. The property was owned by William Johnson who donated the land for the cemetery.

A government grant was obtained to erect a monument in memory of the pioneers of 1906 - 1976. Many local citizens assisted in the project. The graves are all marked with a 3x14 inch pillar and bronze name plate.

The cemetery is located approximately 10 miles north and 1 mile west of the village of Clandonald.

Recording was done by Peter & Rose Goutbeck with the assistance of the records keeper Marjorie Osinchuk in the summer of 1992.

hand side of the road just before the third cross road.

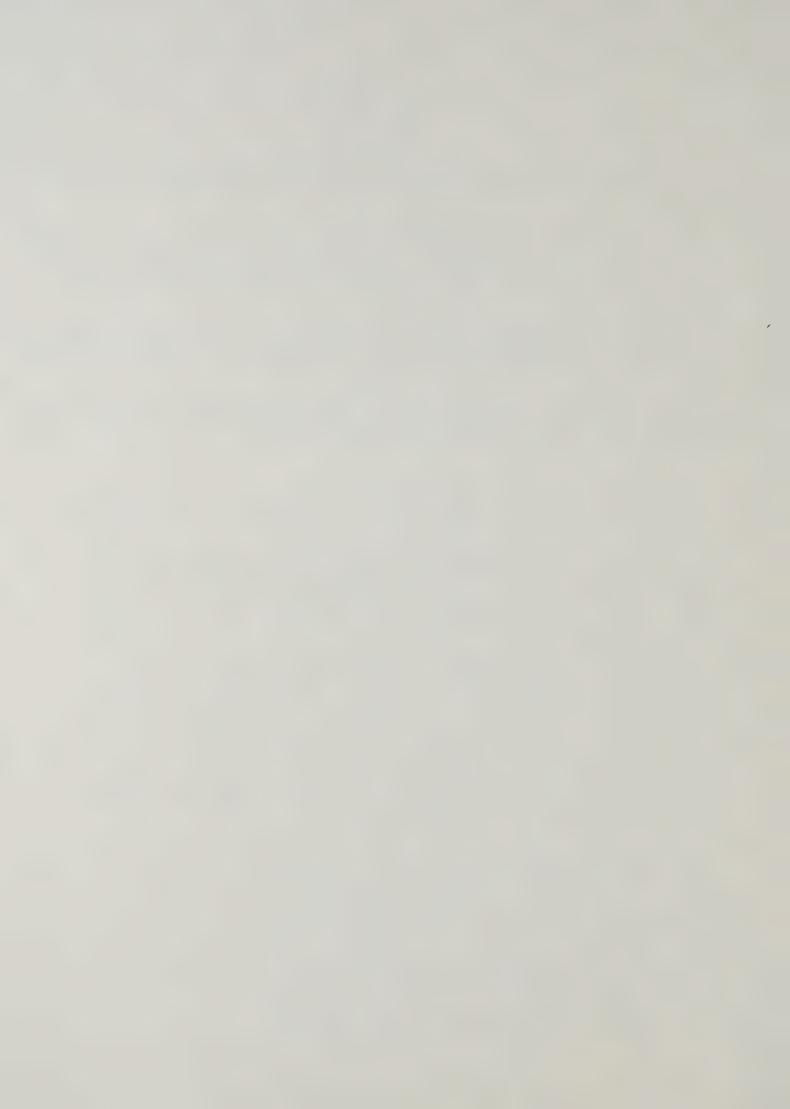

To reach Lornedale Cemetery from Viking, Alberta one must travel north ten miles on Highway 36, then turn east and proceed two and one half mile on a country road. The cemtery is on the right-

The following history was obtained from the minutes of the first meeting of the Lornedale Cemetery Committee, held 11 November 1920. It was decided to purchase two acres of the northeast corner of NW20-049-12 W4 from Jacob Sutter. The total area of the cemetery is tewo and one half acres. The final certificate of approval was issued by the Provincial Board of Health in 1920.

Lornedale Cemetery is located in the old M.D. of Lakeview, now owned by the County of Beaver, is very peaceful and well kept, and surrounded by tall carraganas and other trees. The records are currently kept by Jack and Donna Brooks, of Viking. Ninety-eight burials have been identified and entered into the Master Data Bank of the Alberta Genealogical Society.

Though care has been taken in this trancription, it must be remembered that the information herein has passed through many hands, and there are noticeable discrepancies. This record should be used as an indicator, only, in the field of historical research.

The town of Viking is 130 km south-east of Edmonton on highway # 14 and just east of highway # 36. In 1993 the population of the town was 1160. It is surrounded by farm and ranch lands. This cemetery is situated less than 1/2 km north of highway 14, and 1.6 km (1 mile) west of the town of Viking. This is on the old John Stowe homestead.

This cemetery has the Protestant Section to the west and the smaller Catholic Section at the east side. The first burial as recorded in this publication in Mrs. Emily Hawthorne in 1909 in the Protestant Section, and Frances Albert Gossman in May 1912, in the Catholic Section.

The 1033 names of burials were recorded for this cemetery in the summer of 1993 using information from the records supplied by the town office and the grave marker transcriptions at the cemetery.

The recording and compiling was done by members of AGS, Edmonton Branch.

The plot plan for this cemetery supplied courtesy of the town of Viking

# # 195 (listing on page 31) GOLDEN VALLEY LUTHERAN CEMETERY SE-12-48-13-W4

This cemetery is located approximately 2.4 km (1 & 1/2 mile) east and north of the north-east corner of the town of Viking. Already in 1903 Reverend A.C. Vang from Camrose conducted services at homes in the area which led to the organizing of the Golden Valley Norwegian Lutheran congregation. In 1932 the church burned down. Steps were taken immediately to erect a new one which was completed in March of 1935. The church is now part of the Evangelical Lutheran Church of America (Canada District).

The first burial was that of six-year old Olivia Olson on May 6, 1906. Isabel Boraas of Viking gave us the needed assistance in the recording and compiling the 343 names of burials for this cemetery.

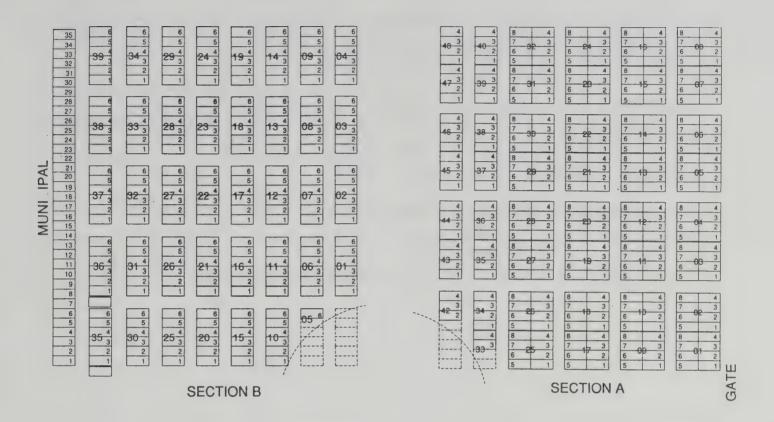

The cemetery was recorded by members of AGS, Edmonton Branch in the summer of 1993.

# # 217 (listing on page 39) BRUCE COMMUNITY CEMETERY NE-02-48-14-W4

This cemetery with 266 burials can be found approximately 2.4 km (1 & 1/2 miles) east of the town of Bruce. Take the second road north after leaving Bruce on highway # 14 east. Cross the railroad tracks and the cemetery will be to the left.

Sonja Bablitz of Bruce gave us access to the records for this recording. The early records indicate three different sections for burials. These are the Lutheran site (east of the gate), the Catholic site (the far east), and the west site (west of the gate). Nowadays burials take place throughout the cemetery without regard to religion.

The earliest burial as recorded in this publication is a child, William Dorin in 1909. The records say he is interred in the Lutheran site.

This recording was done by members of the AGS, Edmonton Branch in 1993.

# # 1211 (listing on page 46) ST NEPOMUCENE PRAGUE CATHOLIC CEMETERY NW-18-46-13-W4

This country cemetery can be found by taking highway # 36 south of Viking 8 km (5 miles), then continue west on highway # 36 and 26 for 6.4 km (4 miles), then south for 4.8 km (3 miles). The cemetery will be on the left (east) side.

One hundred and forty seven names have been recorded for this cemetery by AGS member and long time resident Sheila Child, in the summer of 1994.

The earliest burial was a baby, Marie Ruzicka in December of 1906.

## # 217 (Listing on page 39) BRUCE COMMUNITY CEMETERY NE-02-48-14-W4

This cemetery with 266 burials can be found approximately 2.4 km (1 & 1/2 mile) east of the town of Bruce. Take the second road north after leaving Bruce on highway 14 east. Cross the Railroad tracks and the cemetery will be to the left.

Sonja Bablitz of Bruce gave use access to the records for this recording. The early records indicate three different sections for the burials. These are the Lutheran site (east of the gate), the Catholic site (the far east), and the west site (west of the gate). Nowadays burials take place throughout the cemetery without regards to religion.

The earliest burial as recorded in this publication is a child, William Dorin in 1909. The records say he is interred in the Lutheran site.

This recording was done by members of AGS, Edmonton Branch in 1993.

## WHITLA CEMETERY

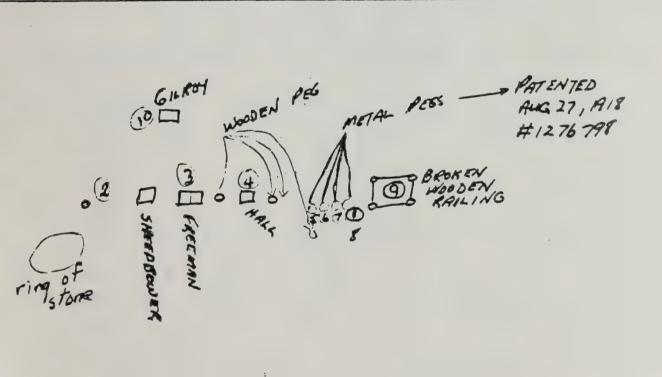

The Whitlaw Cemetery is located on the NE ¼ of Section 5, Township 11, Range 8, West of the 4th Meridian. It can be reached from Highway #3, approximately 2.5 K north of Highway #885 on the left side of the road.

It is a fenced, grassed cemetery, with a gate. A Cairn, facing east, was erected in 1975, listing the names of the persons known to be buried there.

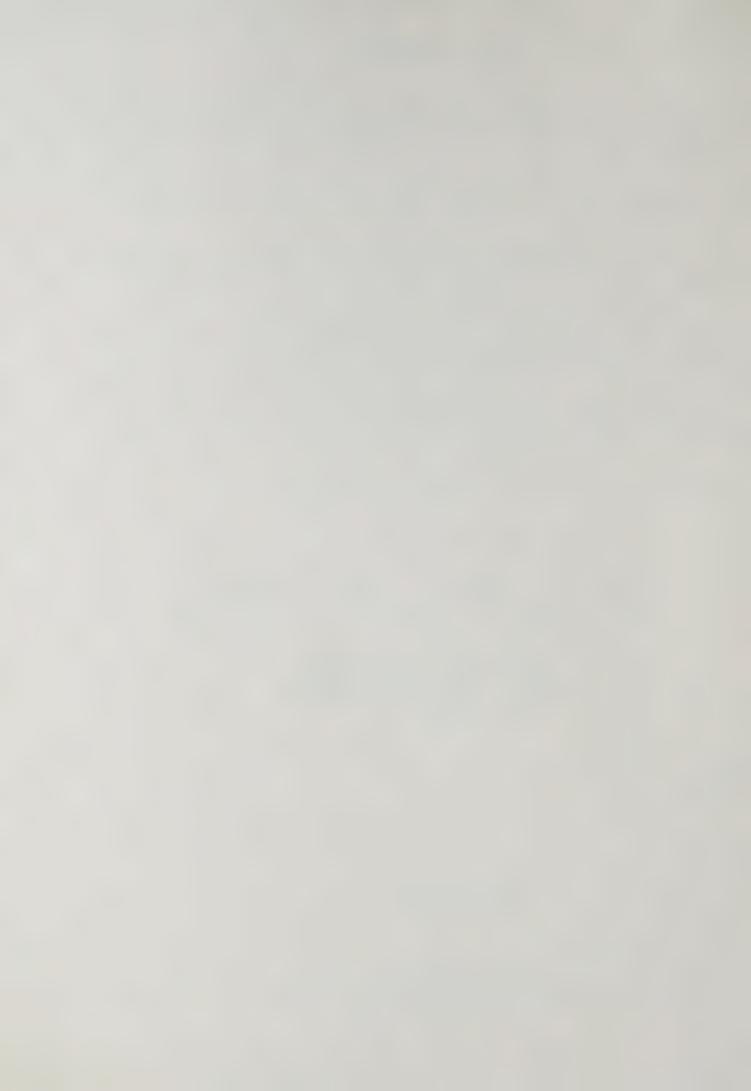

It is not known who homesteaded this property. In the spring of 1929 Josph and Elizabeth Anton arrived in Whitla and settled on half of Section 5, Township 11, Range 8, Recently, Doug Zorn has purchased this land.

The cemetery was started about the time th time the town of Whitlaw began, in the early 1900's, when the homesteaders arrived. It was used by the United Church and the Catholic Church in Whitla. Its use was discontinued when the small hamlet churches ceased to have services in the 1940's and 1950's. It is not known who was the last person buried there.

This cemetery was recorded on 14 June 1980 by members of the Medicine Hat Branch, Alberta Genealogical Society: Eva Dyck, Rose Braun, Kit Spence, and Marge Ensminger.

# HIGHLAND CEMETERY

The cemetery is located on the SW & of Section 4, Township 12, Range 8, West of the 4th Meridian. It can be reached from Highway #3, approximately 9.8 K north on Secondary Highway #885 on the right side of the road.

It is a fenced, grassy cemetery with a gate and a path mowed from the gate to the northeast corner where 10 headstones are located. A Cairn, facinf south, was erected in 1975 listing the names of persons known to be buried here.

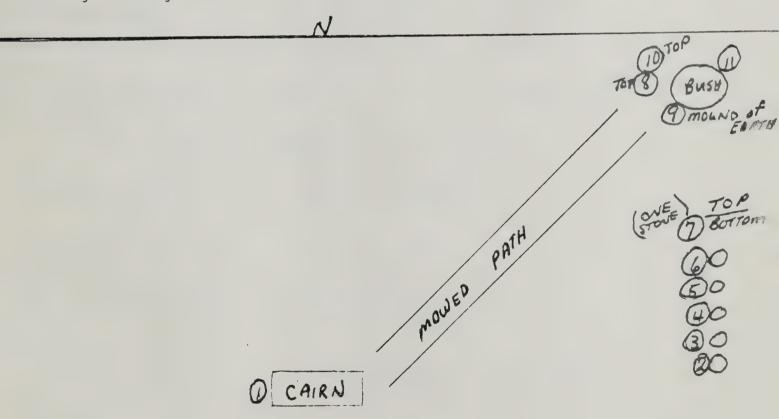

Iver Moger homesteaded  $Sw^{\frac{1}{4}-4-412-8}$  from 1909 to 1924, and since 1924 the Stenbys have maintained this property. This cemetery was started by the Lutheran Church and was located on the original Iver Moger homestead.

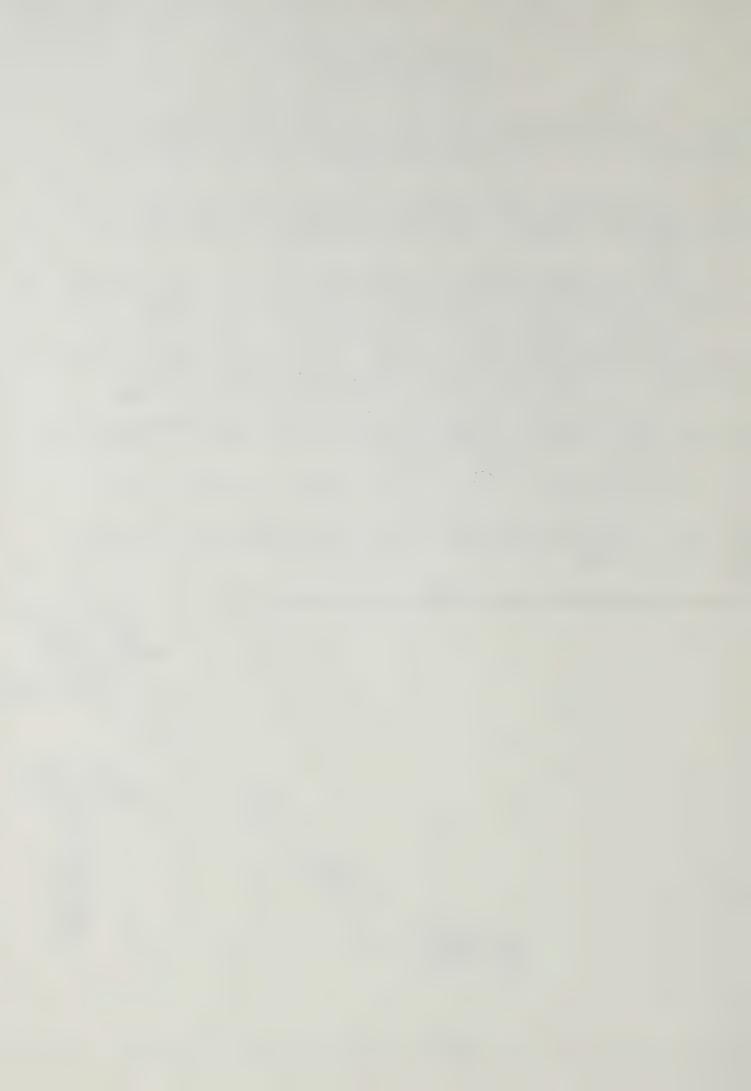

Nils and Emma Stenby were among those early settlers who helped to organize the Norwegian Lutheran Church. It was the only cemetery in the area near the townsite because the Lutheran Church held its services in the Stenby home, Golden Sheaf School, as well as in the neighbors homes.

A Beach girl was the last known to be buried in this cemetery in 1936. The use of this cemetery was discontinued with the coming of cars and people went to Medicine Hat for Church Services.

Today the cemetery is maintianed by people in the area who have relatives buried there.
